ASSESSMENT SEARCH REQUEST

It is the City of Red Wing's intent to provide complete current and pending assessment information. It is the requester's obligation to provide the names of previous owners, renters, property managers, property agents and any other party(s) relative to the parcels described below within the 24 months preceding the search in order to insure that the search is accurate, and that it identifies service charges that have been or will be levied through the assessment process.

The fee for this service is $25.00 per parcel search.
