Stormwater Utility Fee – Fees collected are being used for storm water infrastructure maintenance

Water and Sewer Availability – these funds are used to maintain the infrastructure necessary to get the water from the Water Treatment Plant to your home or business for your use, and to take the wastewater (sewage) from your home or business to the Sewage Treatment Plant

CESSC is a non-taxable fee charged to residential and commercial customers for the collection of mixed solid waste

Fuel Surcharge – Fee is collected to help offset the high cost of diesel fuel used for the refuse vehicles

MN Department of Health Fee is a fee passed on to the customer from the State of Minnesota – This is billed once per year
