Romantic Movie Series: *Kate & Leopold*

Meg Ryan stars as Kate McKay, a modern female executive in New York City whose drive to succeed in the cutthroat corporate world has left little time for romance. When her genius ex-boyfriend Stuart (Liev Schreiber) opens a portal in time, the experiment transports Leopold (Hugh Jackman) from 1867 to the present day. A charming bachelor and the royal "Third Duke of Albany" in his own time, Leopold is fascinated by the 21st century. As the courtly Leopold and the decidedly liberated Kate tour the town, a mutual attraction develops into something deeper, a relationship that's threatened by Leopold's temporary chronological status. Join us for this exciting movie on August 14th @ 6:30 PM in the Foot Room. This movie is rated PG-13.
