

HIGHWAY 61/MAIN STREET PROJECT

Project Update

The City of Red Wing and Minnesota Department of Transportation (MnDOT) will be continuing with the second and final stage of reconstruction of US Highway 61 (Main Street) between Broad Street and Potter Street beginning in spring 2016. The contractor Meyer Contracting will begin right where the project ended last year with purpose to address aging infrastructure and utilities, traffic safety operations, multimodal facilities and corridor aesthetics within these remaining three blocks.

The construction is anticipated to begin as early as mid-March 2016 and be completed in mid-August 2016.

Visit the project website for additional information at: <http://www.red-wing.org/th61home.html>

Construction Open House Planned

Thursday, March 10, 2016
5:00 PM – 7:00 PM
Red Wing Public Library - Foot Room
225 East Ave, Red Wing

Attend the Open House to learn more about the upcoming summer 2016 construction:

- Construction Schedule
- Construction Staging Plans
- Construction Business Access
- Construction Communication Plan

Come to the Open House to learn more about what to expect during the construction this coming summer and share any concerns. The meeting will be an open house format and there will not be a formal presentation.
