

HIGHWAY 61/MAIN STREET PROJECT

Correction to previous newsletter:

Open house will be held on Thursday, December 4. See below for time and location.

Project Update

The City of Red Wing and Minnesota Department of Transportation (MnDOT) are in the final design phase of the US Highway 61 (Main St) Reconstruction Project. The reconstruction project will address aging infrastructure and utilities, traffic safety and operations, multimodal facilities and corridor aesthetics on US Highway 61 between Old West Main and Potter Streets in 2015 & 2016.

Since the last open house in July 2014, the City and project team have been working on finalizing the roadway layout, streetscape plan and construction details such as staging and schedule.

Final Open House Planned

The City will host a final open house for this project prior to beginning construction next year. The open house will be held:

Thursday, December 4, 2014
4:30 PM – 6:30 PM
Red Wing Public Library - Foot Room
225 East Ave, Red Wing

A formal presentation will begin at 5:30 pm. Attend the open house to learn more and provide your input on:

- Final Roadway and Streetscape Layout
- Construction Staging Plans
- Business Access Plan
- Business Coordination Group Update
- Schedule
