

# RED WING'S Ole Miss Marina

RED WING, MN

## It's here...

Welcome to summer everyone! It was a long winter, chilly/rainy spring and now summer is here and we have flooding. When will we catch a break?

With a holiday weekend approaching we need to take extra precautions while enjoying the river, especially with the water as high as it is. There are large amounts of debris floating and the river is flowing at an excessively high speed. We urge you to be safe, but yet have fun!

## Slips...

It is July!! Slips will now be **pro-rated**. If you know of anyone interested in a slip for the rest of the season, please let us know! Refer someone and receive \$100 off your storage or slip fee!

## Storage Lot Hours

The storage lot has an automatic timer. **The current hours are:**

**6am-9pm**

After 9pm if you are in the lot, you **will** be able to get out, but you **won't** be able to get back in.

## Just a friendly note...

This year at Bay Point we have 5lb. and 25lb. bags of ice! ☺

## Trailers/Boats in Storage Yard

If you are currently storing your trailer or boat in our storage yard, it **MUST** be labeled with your name.

## Tornado Awareness

What to do if you are in the marina

Our public restroom facilities are a good place to go in case of a tornado as they are of block construction with a wood roofing structure. Also, during normal business hours you have the option of any of the downtown retailers with basements.
