Staff Welfare & Safety

- Visitors conducting business transactions must wear a face mask; if one is not available, the City will provide one.
- Staff will maintain a 6' social distancing space between themselves & all customers.
- Staff attending the entrance area will be provided with facemask & gloves and may wait inside a City Pickup to attend to customers.
- Staff won't be allowed to assist customers in removing yard waste or brush from the customers' vehicles or trailers.
- Staff operating heavy machinery to maintain areas will be expected to stay inside equipment unless there is a need to remove something from the compost row.

This limited expansion of service will continue until all services are restored by order of the City Council.

The City of Red Wing is dedicated to the ongoing health and well-being of its residents. With its tradition of growth, stability, and innovation, city leadership continues to maintain a proactive approach and a firm commitment to businesses, history, natural resources and, most importantly, the Red Wing community.
