

Policy and Practice Project

Meeting #23 of the Advisory Team: August 10, 2022

6:00 p.m.

Location: Community Development Building

This meeting will be in person, open to the public, and audiotaped.

The audio recording, summary notes, and meeting materials will be on the Policy and Practice Project Meetings website page.

6:00 - Welcome and Check In

6:05 to 7:05 - Idea Swaps between Team and Engineering Department

Advisory Team will meet with Jay Owens, the City's Engineering Director and City Engineer. The purpose is for the Engineering Department to briefly share information about their projects and services and talk with team members about ideas on streets, sidewalks, trails, intersections, and ways to improve traffic, pedestrian safety, and accessibility in Red Wing.

7:05 to 7:45 – Building Neighborhood Connections

The Advisory Team will discuss outreach ideas in neighborhoods, with a potential focus on how people identify their neighborhoods and how small improvement projects can have big impact on building connections and ownership.

7:45 - Adjourn
